Subject: Community Letter to EPA Region 7

Administrator Brooks,

Attached is a letter signed by community members at the public meeting last night requesting the PRP's contractor, EMSI, be disallowed from any work at the landfill now and in the future.

Copied on this email are Dawn, Karen, and Beth from the newly formed Just Moms STL and MCE executive director Heather Navarro. You can reply to any of us with a response.

I hope everyone at Region 7 has a Happy Easter.
